Damage resulting from improper Product packaging will be charged to Seller. Seller will not pack or ship items corresponding to multiple Orders or multiple line items within a single Order unless Seller has separately identified the packing and shipping costs of each line item being shipped.

11. DELIVERY, TITLE. [\(back to top\)](#)

- A. The Freight On Board (FOB) point shall be as designated in this Order. Title shall pass to Buyer upon delivery (except as otherwise specified within this Order); however, passing of title shall not relieve Seller of any other obligations under this Order.
- B. All deliveries shall be strictly in accordance with the applicable quantities and schedules set forth in this Order. Unless otherwise specified in this Order, Seller shall not ship quantities in excess of those specified in this Order. Buyer shall have no obligation to return or pay for any quantities in excess of those specified in this Order. For all other shipments not meeting the requirements of this paragraph, Buyer may return the shipment or store early deliveries at Seller's cost.
- C. Whenever it appears Seller will not meet the delivery schedule, Seller shall immediately notify Buyer in writing of the reason and estimated length of the delay. This notice shall be informational only, and shall in no way affect the rights or remedies available to Buyer. Seller shall make every effort to avoid or minimize the delay to the maximum extent possible. Any additional cost incurred by Buyer or Seller because of late delivery shall be borne by Seller unless specifically authorized in writing by Buyer.
- D. If Seller is unable to meet the required delivery schedules for any reason, other than a change directed by Buyer, Buyer shall have the option to:
 - (i) Terminate this Order, or
 - (ii) Fill this Order or any portion thereof, from sources other than Seller and to reduce Seller's Order quantities accordingly at no increase in unit price, without any penalty to Buyer. The rights accorded Buyer pursuant to this subparagraph D shall not limit Buyer's rights under the "Termination for Default" provision of this Order.

- E. All Parties expressly agree that time is and shall remain of the essence in performing this Order and no acts of Buyer, including without limitation, modifications to this Order or acceptance of late deliveries, shall constitute a waiver of this provision.

12. DELIVERY OF SELLER DATA. [\(back to top\)](#)

All drawings, procedures, manuals, forms, test reports, software (including software documentation) and other data that is required to be delivered under this Order ("Seller Data") shall comply with the terms of this Order. Seller Data shall be delivered to Buyer on or before the time specified in this Order, or if no time is specified, 45 days after receipt of this Order. Seller shall submit Seller Data to the Buyer address shown on the first page of this Order unless otherwise specified in this Order. If no delivery information is specified or Seller is unsure of where to send the Seller Data, Seller shall contact Buyer's authorized purchasing representative for further instructions. Buyer may withhold payment if Seller fails to deliver any Seller Data in accordance with the terms of this Order. When furnished with the shipment, Seller shall enclose all required Seller Data in the first box of the shipment and mark the shipment, *CERTIFICATES AND/OR TEST REPORTS ENCLOSED*.

13. LIENS. [\(back to top\)](#)

All Products furnished under this Order shall be free of all liens, claims, charges, and encumbrances of any kind. Upon request, Seller shall furnish Buyer with formal releases from Seller's subcontractors. Buyer may discharge any lien, claim, charge, or encumbrance if Seller, at Buyer's request, fails to do so and Seller shall reimburse Buyer for the reasonable costs thereof.

14. INSPECTION. [\(back to top\)](#)

- A. Except as otherwise provided in this Order, Seller shall maintain an inspection and quality control system acceptable to Buyer to be performed on Products delivered under this Order. As part of the system, Seller shall prepare records evidencing all inspections made under the system and the outcome. Buyer or Buyer's customer shall have the right to perform reviews and evaluations as reasonably necessary to ascertain Seller compliance with an inspection or quality control system that is acceptable. The right of review, whether exercised or not, does not relieve Seller of its obligations under this Order.
- B. Buyer or Buyer's customer has the right to inspect and test all Products to the extent practicable, at all places and times, including the period of manufacture, and in any event before acceptance. Buyer assumes no contractual obligation to perform any inspection and test for the benefit of Seller. If Buyer or Buyer's customer performs an inspection or test on the premises of Seller or a subcontractor of Seller, Seller shall furnish, and shall require its subcontractors to furnish, at no increase in Order price, all reasonable facilities and assistance for the safe and convenient performance of such inspection and test.
- C. Buyer has the right either to reject or to require correction of nonconforming Products. Products are nonconforming when they are defective in material or workmanship or are otherwise not in conformity with requirements of this Order. Buyer may reject nonconforming supplies with or without disposition instructions.
- D. Seller shall remove Products rejected or required to be corrected; however, Buyer may require or permit correction in place, promptly after notice, by and at the expense of Seller. Seller shall not tender for acceptance corrected or rejected supplies without disclosing the former rejection or requirement for correction, and, when required, shall disclose the corrective action taken.
- E. Seller, at its own expense, shall promptly rectify any defects discovered during any inspection or test.
- F. If Seller fails to promptly remove, replace, or correct rejected Products that are required to be removed or to be replaced or corrected, Buyer may either:
- (i) Remove, replace, or correct the Product(s) and charge the cost to Seller; or
 - (ii) Terminate this Order for default.

If Buyer elects to correct the deficiencies in the Product(s), then the parties agree that Seller will pay Buyer's actual costs and Buyer's labor at Buyer's fully-burdened hourly rates (as appropriate) utilizing the then-current

Government-approved rate set authorized for change-order activity. If Seller fails to correct or replace the Product(s) within the delivery schedule, Buyer may require their delivery with an equitable price reduction. Failure to agree to a price reduction shall be a dispute.

- G. Products that have been reworked or repaired by Seller after having been rejected by Buyer shall be identified as "Resubmitted." Seller shall annotate the packing slip with the words "Resubmitted Material," the reason for the previous rejection, and the Buyer Inspection Report, Discrepancy Report, or Quality Notification Number if known. If the Products were inspected at source and rejected, such information shall also be annotated on the packing slip.
- H. **Seller shall flow down the substance of this provision to all of its suppliers engaged for performance under this Order.**
- I. Neither Buyer's in-process inspection nor Buyer's approval of any of Seller's drawings, procedures or other submittals shall: (i) constitute acceptance of any work; or (ii) relieve Seller of complying fully with all of the requirements of this Order.

15. TAXES. [\(back to top\)](#)

Seller shall not collect any sales or use taxes inasmuch as Buyer has direct pay permits held for Louisiana, Mississippi, and Virginia. Seller shall pay all other State, Federal and Local taxes, assessments and duties that may be applicable to Products or Seller's performance hereunder.

16. INVOICES. [\(back to top\)](#)

Payment shall be made within the later of the following two events: (A) The 30th day (or such other time as specified herein) after the designated billing office receives a proper invoice from Seller; or (B) The 30th day (or such other time as specified in the Order) after Buyer's receipt of supplies delivered or services performed. Unless Seller is part of Buyer's Invoiceless Payment System, Seller shall send all invoices, in duplicate, showing the Order number and Order Item Number to the Huntington Ingalls Incorporated address on the first page of this Order, Attention: Accounts Payable. Buyer may set-off any amount(s) due from Seller to Buyer, liquidated or unliquidated, against payments due to Seller under this or any other Order. At any time, Buyer or its customer may audit Seller's invoices to verify their accuracy, completeness and compliance with the terms of this Order. Payment of Seller's invoices shall be subject to adjustment for any amounts found upon audit or otherwise to have been improperly invoiced. For progress payments, Seller shall note "Final Invoice" on the final billing documents sent to Buyer. These actions are necessary to ensure proper closeout of this Order.

17. SUSPECT/COUNTERFEIT PARTS. [\(back to top\)](#)

- A. "Suspect/counterfeit parts" are parts that may be of new manufacture, but are misleadingly labeled to provide the impression they are of a different class or quality or from a different source than is actually the case. The term "suspect/counterfeit parts" also includes refurbished parts, with or without false labeling, that are represented as new parts or any parts that are designated as suspect by the U.S. Government, including but not limited to parts listed in alerts published by the Defense Contract Management Agency under the Government-Industry Data Exchange Program (GIDEP).
- B. Seller will ensure that suspect/counterfeit parts are not incorporated into any Products. The intentional or unintentional use, incorporation, or delivery of suspect/counterfeit parts is strictly prohibited. This includes a suspect/counterfeit part's being provided either as an end item deliverable or as a component or subcomponent of an end item deliverable under this Order.
- C. Seller represents and warrants that it has policies and procedures in place to ensure that none of the Products furnished to Buyer under this Order are or contain "suspect/counterfeit parts." Seller further certifies, to the best of its knowledge and belief, that no "suspect/counterfeit parts" have been or will be furnished to Buyer by Seller under this Order.

- D. If Seller becomes aware or suspects that it has furnished suspect/counterfeit parts or if Buyer determines, including as a result of alerts from the U.S. Government, that Seller has supplied suspect/counterfeit parts to Buyer and so notifies Seller, Seller shall immediately replace the suspect/counterfeit parts with parts acceptable to Buyer and conforming to the requirements of this Order. Notwithstanding any other provision of this Order, Seller shall be liable for all costs incurred by Buyer to remove and replace the suspect/counterfeit parts, including without limitation all costs incurred by Buyer relating to the removal of such suspect/counterfeit parts, the reinsertion of replacement parts and any testing necessitated by the reinstallation of Seller's Products after suspect/counterfeit parts have been exchanged. All such costs shall be deemed direct damages.
- E. Buyer may, at its discretion:
 - (i) Remove and or retain or both all Products supplied by Seller that are suspected of being or containing suspect/counterfeit parts pending reporting to the appropriate law enforcement authorities and final disposition of the Products by them. Seller shall be liable for all costs relating to Buyer's removal and retention of the suspect/counterfeit parts.
 - (ii) Turn over to the appropriate authorities (e.g., without limitation, the Defense Criminal Investigative Service, Naval Criminal Investigative Service, Federal Bureau of Investigation, Offices of the Inspector General, etc.) any Products suspected of being or containing suspect/counterfeit parts and reserves the right to withhold payment for the Products pending the results of any investigation or proceedings related to the matter.
- F. Seller's warranty against suspect/counterfeit parts shall survive any termination or expiration of this Order.
- G. Seller shall insert a clause containing all of the terms of this paragraph including this subparagraph G in all subcontracts under this Order.

18. WARRANTY. [\(back to top\)](#)

- A. Seller warrants that all Products delivered under this Order will:
 - (i) Be free from defects in materials, workmanship, and manufacturing processes; and
 - (ii) Conform to all requirements of this Order.
- B. The warranty period shall begin upon Buyer's acceptance of the Product and end 12 months after final acceptance by Buyer's customer of the end product incorporating the Product provided by Seller under this Order. In computing the warranty period, there shall be excluded any time that a Product delivered under this Order is prevented from entering service or is taken out of service on account of any Product deficiency.
- C. For the purposes of this paragraph, a deficiency occurs when Seller's goods or services fail to meet any of the performance obligations set forth in subparagraphs A(i) through A(ii) of this paragraph. Seller's notice shall in no way affect the rights and remedies of Buyer.
- D. For all deficiencies that arise during the warranty period, Seller shall promptly remedy the deficiency at no cost to Buyer. If Seller fails to remedy the deficiency within a reasonable time after having been notified of the deficiency, Buyer may, at its option, remedy the deficiency by contract or otherwise and charge to Seller any increased costs incurred by Buyer or Buyer's customer or make an equitable reduction in the price of this Order. If Buyer elects to correct the deficiencies in the Product, then the parties agree that Seller will pay Buyer's actual costs and Buyer's labor at Buyer's fully-burdened hourly rates (as appropriate) utilizing the then-current Government-approved rate set authorized for change-order activity.
- E. Buyer's approval of any documentation prepared by Seller or Buyer's participation in design reviews or first article approval process or similar reviews shall not relieve Seller of any obligation under this warranty.
- F. Buyer's rights under this provision shall, at Buyer's option, be assignable to and enforceable by Buyer's successors and customers.
- G. Seller shall immediately notify Buyer of any deficiencies during the performance of this Order and the warranty period. Seller shall promptly provide a written notice to Buyer's authorized purchasing representative describing the deficiency and Seller's plan to remedy the deficiency. For the purposes of this subparagraph G, a

deficiency occurs when Seller's Product fails to meet any of the performance obligations set forth in subparagraph A of this provision. Seller's notice shall in no way affect the rights and remedies of Buyer.

- H. The rights of Buyer set forth in this provision shall be in addition to, and not in lieu of, any other right Buyer may have under this Order, or in law or equity.

19. CHANGES. [\(back to top\)](#)

- A. Buyer, may at any time by written order make changes within the general scope of this Order in:
- (i) drawings, designs, specifications, planning, and/or other technical documents;
 - (ii) method of shipment, packaging, or packing;
 - (iii) place of delivery;
 - (iv) reasonable adjustments in quantities or delivery schedules or both;
 - (v) place of inspection;
 - (vi) place of acceptance;
- and, if services are procured with the Products:
- (vii) description of services to be performed;
 - (viii) time of performance (*i.e.*, hours of the day, days of the week, etc.) of the services; and
 - (ix) place of performance of the services.
- B. If the change causes an increase or decrease in the cost or time required to perform this Order, the Parties shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease. Buyer shall modify this Order in writing accordingly.
- C. Any claim for adjustment shall be unconditionally waived unless asserted in writing and delivered to Buyer within 15 days of the receipt of the written Order; if Seller claims the cost of any property made obsolete or excess, Buyer shall have the right to prescribe the manner of disposition of the property to include the right to acquire that property for the cost claimed.
- D. Buyer has the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim.
- E. Seller shall immediately proceed with the performance of this Order as changed. Failure to agree to any adjustment shall be a dispute within the meaning of the "Disputes" provision. Seller shall not be entitled to any claim for changes unless authorized in writing by Buyer.

20. EQUITABLE ADJUSTMENTS; WAIVER AND RELEASE OF CLAIMS. [\(back to top\)](#)

Whenever Seller, after receipt of a change made pursuant to the "CHANGES" clause or after assertion of a constructive change under the "NOTIFICATION OF CHANGES" clause, submits any claim for equitable adjustment under the foregoing, such claim shall include all types of adjustments in the total amounts to which the foregoing entitle Seller, including but not limited to adjustments arising out of delays or disruptions or both caused by such change. In support of any Seller request for equitable adjustment brought under the "CHANGES" clause or any other clause of this Order, Seller shall provide Buyer sufficient detail to reasonably support Seller's proposal for a request for equitable adjustment or which Buyer's customer should require in evaluating such request. Further, Seller agrees that, if required by Buyer, it will execute a release, in form and substance satisfactory to Buyer, as part of the supplemental agreement providing an equitable adjustment. Failure of Seller and Buyer to agree on any proposed adjustment or change claimed by Seller shall not excuse Seller from diligently proceeding with performance of this Order.

21. TERMINATION FOR DEFAULT. [\(back to top\)](#)

- A. Buyer may terminate this Order in whole or in part without liability if Seller:
- (i) Fails to make delivery of the Products within the time specified in this Order; or

- (ii) Fails to perform any of the other provisions of this Order or so fails to make progress as to endanger performance of this Order in accordance with its terms, including the completion of those items within the time set forth elsewhere in this Order and in either of these two circumstances does not cure such failure within a period of ten days (or such longer period as Buyer may authorize in writing) after receipt of notice from Buyer specifying such failure; or
 - (iii) Becomes insolvent or fails to provide additional assurances of financial solvency when it reasonably appears that Seller is or will not be financially solvent and additional assurances are requested by Buyer. If Buyer terminates part of the work under this Order, Seller shall continue performance of this Order to the extent not terminated.
- B. The rights and remedies of Buyer provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Order.
- C. If, after a default termination, it is determined that Seller was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of Buyer.

22. TERMINATION FOR CONVENIENCE. [\(back to top\)](#)

Buyer may terminate this purchase order in whole or in part at any time for its sole convenience. Buyer will terminate by delivering to Seller a Notice of Termination specifying the extent of termination and the effective date. After receipt of a Notice of Termination, Seller shall immediately proceed with the following obligations: (i) stop work as specified in the notice; (ii) place no further subcontracts or orders (referred to as subcontracts in this clause); and (iii) terminate all subcontracts to the extent they relate to the work terminated. Buyer's sole obligation to Seller in the event of a termination for convenience shall be to pay Seller a percentage of the Order price corresponding with the percentage of the terminated work actually performed prior to the notice of termination, plus Seller's reasonable expenses incurred as a direct result of the termination. No amount will be allowed for anticipated profit on the terminated work. The amount paid shall be reduced by the reasonable resale or salvage value of any undelivered work or uncompleted work in progress. Seller shall submit to Buyer supporting documentation in sufficient detail to justify any termination payments requested from Buyer. Seller will not be paid for any work performed or costs incurred that could reasonably have been avoided.

23. SUSPENSION OF WORK. [\(back to top\)](#)

Buyer may, by written notice, suspend work under this Order at any time. Upon receipt of such notice, Seller shall immediately comply with its terms and, during the work suspensions, take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the suspension notice. If the suspension of work ordered under this paragraph results in an increase in the time required for, or in Seller's cost properly allocable to the performance of any part of this Order, Seller shall make an adjustment in the delivery schedule or Order price or both. Seller shall assert its right to an adjustment no later than 20 calendar days after the work suspension is lifted.

24. DISPUTES. [\(back to top\)](#)

- A. Any dispute arising under or related to this Order shall be submitted in writing for resolution to equivalent ascending levels of management of the respective Parties up to the Senior Executive of the Supply Chain Management organization placing the Order, and Seller's equivalent executive level.
- B. If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within 90 days from the date the written dispute is received by the other party in accordance with the notice provisions set forth herein, or such additional time as the Parties agree upon, in writing, either party may only bring suit in the appropriate federal or state court in the state listed as Buyer's address in the Order; said forum selection to be made without regard to said state's conflict of laws principles.

- C. Pending any informal resolution, law suit, appeal, or final decision referred to in this provision, or the settlement of any dispute, Seller shall proceed diligently, as directed by Buyer, with performance of this Order.
- D. Seller shall commence an action for breach or any other dispute arising under or related to this Order within two years after the cause of action accrues, or by the otherwise applicable statute of limitations, whichever period is shorter.
- E. If the Government:
 - (i) makes a decision or determination,
 - (ii) takes an action, or,
 - (iii) in the case of a claim filed with the Contracting Officer, fails to take an action within the time limits specified in the “Disputes” provision in Buyer’s Prime Contract (“deemed denial”), on a matter arising under or related to the Buyer’s Prime Contract, and such decision, determination, action or deemed denial relates to or affects the Parties’ rights and interests under this Order (“Government Action”), then any dispute between Buyer and Seller as relates to the Government Action shall be resolved in accordance with subparagraph F, which shall be Seller’s sole remedy for such disputes. Except as otherwise provided in subparagraph F, all other disputes between Buyer and Seller will be resolved in accordance with subparagraph B of this provision.
- F. Notwithstanding any provisions herein to the contrary, Government Actions shall be final and binding on Seller, and Seller shall have no recourse against Buyer for such Government Action or Buyer’s implementation thereof, unless and to the extent Buyer or Seller appeals pursuant to the terms of this provision.
 - (i) If Buyer elects to appeal a Government Action pursuant to the “Disputes” provision in Buyer’s Prime Contract, whether at Buyer’s election or at Seller’s request, Seller shall:
 - (a) assist Buyer in every reasonable manner; and
 - (b) be afforded a reasonable opportunity to participate in the prosecution of the appeal to the extent Seller’s interest may be affected thereby. Buyer will not enter into an agreement to settle an appeal that affects Seller’s interest without Seller’s written consent.
 - (ii) If Buyer elects not to appeal a Government Action, Buyer shall notify Seller with reasonable promptness. When Buyer elects not to prosecute an appeal pursuant to this provision, Buyer may, in its sole and absolute discretion, permit Seller to prosecute the appeal of the Government Action for Buyer and in such event, Buyer shall, if requested by Seller, reasonably assist Seller in prosecuting the appeal. Seller shall reasonably keep Buyer informed of the progress of ANY SUCH appeal by, among other things, providing Buyer with copies of all pleadings and other relevant documents. For those pleadings and other documents filed by Seller, Seller shall provide Buyer drafts in advance of the filing date sufficient to afford Buyer with a reasonable time to review.
 - (iii) Any decision on or settlement of an appeal brought pursuant to subparagraphs F(i) or F(ii) of this provision shall be binding upon Seller insofar as it relates to or affects the Parties’ rights and interests under this Order and Seller shall have no recourse against Buyer as a result of the decision or settlement or Buyer’s implementation thereof. Further, if as a result of any decision or settlement described in the immediately preceding sentence, Buyer is unable to obtain reimbursement from the Government under the Prime Contract for, or is required to refund or credit to the Government, any amount with respect to any item of cost or fee for which Buyer has reimbursed Seller, Seller shall, on demand, promptly repay such amount to Buyer.
 - (iv) Each party shall bear its own costs for prosecuting appeals brought pursuant to paragraph F(i) of this provision. Seller shall bear the cost of prosecuting appeals brought pursuant to paragraph F(ii) of this provision (including reasonable attorney fees) and any other costs incurred by Buyer:
 - (a) in assuring itself of the validity of Seller’s appeal; and
 - (b) assisting Seller in the prosecution of the appeal.
 - (v) Before submitting a claim that Buyer may approve to be appealed hereunder, Seller shall:

- (a) certify its claim in the same manner and format as required of Buyer under its Prime Contract with the Government; and
- (b) provide Buyer with such other assurances as Buyer may require.
- (vi) Seller shall indemnify and hold harmless Buyer, Buyer's parent and affiliates and their respective directors, officers, and employees (collectively, for the purposes of this provision, "Buyer") from and against any and all liabilities, claims, losses and expenses arising out of:
 - (a) Buyer's sponsoring a claim on Seller's behalf as provided for in this provision,
 - (b) any misrepresentation of fact or fraud on the part of Seller, its employees, subcontractors or agents in connection with such claim; or
 - (c) a defect in Seller's certification.Seller shall, at its own cost, defend Buyer against such claims, losses, and liabilities, and, it shall pay Buyer's reasonable attorney fees and expenses, related to carrying out and enforcing the terms of this provision, as those costs are incurred. Buyer has the right to conduct such defenses if it so chooses.
- (vii) Nothing in this provision nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.
