If the freight bill is not submitted with the invoice, the entire invoice will be rejected and the Seller will need to resubmit the invoice with the proper documentation.

2. **PACKING AND CRATING.** [\(back to top\)](#) Seller shall, when practicable, ship in packages or loose pieces for unloading by a standard 4,000-pound forklift truck. Unless otherwise provided in the Order, Seller's price includes all charges for packing and crating.

If Buyer does not fully pay Seller's original invoice because of a performance deficiency, Seller must submit a new invoice for any remaining amounts due after Seller corrects the deficiency that caused the partial payment. The Seller shall ensure the purchase order line item is clearly referenced on each item being invoiced. The Seller shall also ensure the invoice is submitted in the same unit of measure as the purchase order. If the purchase order line items are not referenced and the unit of measure is different from the purchase order, the entire invoice will be rejected and the Seller will need to resubmit the invoice with the proper criteria. If the invoice is for a down payment/milestone payment, the invoice must be submitted with the waiver of lien, insurance papers and Application for Partial Payment and Certification of Milestone Completion and Incurred Cost Form (NN9626). If these documents are not submitted with the invoice, the entire invoice will be reject and the Seller will need to resubmit the invoice with the proper documentation.
6. **PAYMENTS FOR TIME-AND-MATERIALS/LABOR-HOUR ORDERS.** [\(back to top\)](#) Buyer will pay Seller as follows upon the submission of proper invoices:
  - A. **Hourly rate.**

- i. The amounts shall be computed by multiplying the appropriate hourly rates prescribed in this Order by the number of direct labor hours performed. The rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis. Unless otherwise specified, invoices may be submitted once each month to Buyer. Seller shall substantiate invoices by evidence of actual payment and by individual daily job timecards, or other substantiation approved by Buyer.
  - ii. Buyer may unilaterally issue a modification requiring the Seller to withhold amounts from its billings until a reserve is set aside in an amount that the Buyer considers necessary to protect the Buyer's interests. Buyer may require a withhold of 5 percent of the amounts due under this paragraph, but the total amount withheld for this Order shall not exceed \$50,000. The amounts withheld shall be retained until final payment under this Order.
  - iii. Unless otherwise specified, the hourly rates in the Order shall not be varied by virtue of Seller having performed work on an overtime basis. If no overtime rates are provided in this Order and overtime work is approved in advance by the Buyer, overtime rates shall be negotiated. Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes paragraph. If this Order provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Buyer.
- B. Materials and subcontracts (if specified in this Order).**
- i. Buyer will reimburse Seller at Seller's cost for direct materials. Direct materials, as used in this paragraph, are those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.
  - ii. Seller may include reasonable and allocable material handling costs in the charge for material to the extent they are clearly excluded from the hourly rate. Material handling costs are comprised of indirect costs, including, when appropriate, general and administrative expense allocated to direct materials in accordance with the Seller's usual accounting practices. Buyer will reimburse Seller for supplies and services purchased directly for this Order when Seller has made payments of cash, checks, or other forms of payment for these purchased supplies or services; or will make these payments determined due in accordance with the terms and conditions of a subcontract or invoice.
  - iii. Buyer will not reimburse Seller for any costs arising from the letting, administration, or supervision of performance of the subcontract, if the costs are included in the hourly rates payable under this paragraph.
  - iv. Seller shall give credit to Buyer for cash and trade discounts, rebates, scrap, commissions, and other amounts that have accrued to the benefit of Seller, or would have accrued except for the fault or neglect of Seller.
  - v. If the nature of the work to be performed requires Seller to furnish material that Seller regularly sells to the general public in the normal course of business, the price to be paid for such material, notwithstanding the other requirements of this paragraph, shall be on the basis of an established catalog or list price, in effect when the material is furnished, less all applicable discounts to the Buyer, provided that in no event shall such price be in excess of the Seller's sales price to its most favored customer for the same item in like quantity, or the current market price, whichever is lower.
- C. Total Cost.** It is estimated that the total cost to Buyer for the performance of this Order shall not exceed the ceiling price set forth in the Order and the Seller agrees to use its best efforts to perform the work specified in this Order and all obligations under this Order within such ceiling price. If at any time Seller has reason to believe that the hourly rate payments and material costs that will accrue in performing this Order in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 75 percent of the ceiling price in this Order, Seller shall notify Buyer giving a revised estimate of the total price to the Buyer for performing this Order with supporting reasons and documentation.

- D. **Ceiling price.** Buyer shall not be obligated to pay Seller any amount in excess of the ceiling price in this Order, and Seller shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in this Order, unless and until Buyer shall have notified Seller in writing that the ceiling price has been increased and shall have specified in the notice a revised ceiling that shall constitute the ceiling price for performance under this Order. When and to the extent that the ceiling price set forth in this Order has been increased, any hours expended and material costs incurred by Seller in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.
- E. **Audit.** At any time before final payment under this Order Buyer may request audit of the invoices and substantiating material. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices, that are found by Buyer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments.
7. **DELIVERY.** ([back to top](#)) These requirements are in addition to those contained in the “Delivery, Title” clause in the *“General Provisions for Procuring IT Products and Services.”* All deliveries shall be strictly in accordance with the applicable quantities and schedules set forth in this Order. Unless otherwise specified in this Order, Seller shall not:
- A. Make partial shipments of individual line items; or
  - B. Make shipments more than 90 days in advance.
8. **TRAVEL COSTS.** ([back to top](#)) The following apply when Buyer will be reimbursing Seller travel expenses on a cost-reimbursement basis.
- A. Unless the travel is directed by Buyer, Seller will obtain Buyer’s prior written approval before engaging in travel related to this Order. In requesting approval, Seller will fully disclose all facts regarding the proposed trip, including, but not limited to: the employee(s) involved, the purpose of the trip and destination, the dates, and the proposed mode(s) of transportation.
  - B. Unless otherwise provided, the amounts that the Seller can invoice for lodging, meals, and incidental expenses is limited to the maximum per diem rate for the locality of travel specified in the Federal Travel Regulations, prescribed by the General Services Administration (“GSA”), for travel in the contiguous United States. Except as provided in this paragraph B, Buyer will not be liable to Seller for invoiced Travel Costs that exceed the prevailing GSA per diem rates. At the Buyer’s absolute discretion, Buyer may reimburse Seller lodging and meal expenses in excess of the prevailing GSA per diem rate when: (i) costs have escalated because of special events (e.g., missile launching periods, sporting events, World’s Fair, conventions, natural or manmade disasters); (ii) lodging and meal expenses within prescribed allowances cannot be obtained nearby; and (iii) costs to commute to/from the nearby location consume most or all of the savings achieved from occupying less expensive lodging. Buyer will not be liable to Seller for any Travel Costs incurred in connection with travel not pre-approved or directed by Buyer in accordance with paragraph A of this provision 10.
  - C. Except as provided in this paragraph C, Buyer will not be liable to Seller for airfare costs in excess of the lowest priced airfare available to Seller during normal business hours (“Lowest Fare”). Buyer may at its absolute discretion reimburse Seller for airfare in excess of the Lowest Fare when use of the Lowest Fare would: (i) require circuitous routing, (ii) require travel during unreasonable hours, (iii) excessively prolong travel, (iv) result in increased cost that would offset transportation savings, (v) not reasonably accommodate the physical or medical needs of the traveler, or (vi) not reasonably meet Order requirements. If requested by Buyer, Seller will provide documentation supporting Seller’s selection of the Lowest Fare.
  - D. For vehicle transportation by Seller’s personnel using their personally owned vehicles, Buyer will reimburse Seller at the prevailing Internal Revenue Service standard mileage rates for taxpayers to use in computing the deductible costs of operating an automobile for business, charitable, medical, or moving expense purposes. Seller shall provide the MapQuest showing the start and stop location and the number of miles for the trip. If the start location cannot be provided due to employee confidentiality, the Seller shall provide the start city, zip code and state.

- E. Tips for meals will be included in the meal cost and subject to the prevailing GSA per diem meal rate. Tips for baggage handling (e.g. skycaps, bellhops, etc.) and maids will be included in the lodging cost and subject to the prevailing GSA lodging per diem rate. Tips for transportation and taxis required for business purposes are not included in and subject to the per diem caps. Buyer will reimburse Seller for reasonable amounts for such tips provided they are adequately explained in Seller's expense report.
- F. Rental car costs will be reimbursed for a standard size vehicle only. Use of luxury cars and sports utility vehicles are not authorized. The gas tank will be full before returning vehicle.
- G. All fines for traffic or parking violations are the sole responsibility of Seller and are not reimbursable as travel costs or otherwise. Costs for alcoholic beverages consumed during meals or otherwise are not reimbursable.
- H. Seller will itemize all travel expenses utilizing the NNS Travel Expense Form located at [https://supplier.huntingtoningalls.com/sourcing/accounts\\_payable.html](https://supplier.huntingtoningalls.com/sourcing/accounts_payable.html) for which it will be claiming reimbursement and include a copy of receipts for any single expense in excess of \$75.00. Notwithstanding the immediately preceding sentence, Seller will provide receipts, regardless of value, for air or rail transportation, lodging, car rentals, and gasoline purchased for rental vehicles. Failure to provide the required receipts will result in non-payment of invoice until all documentation is received. If the Seller does not itemize all travel expenses on the invoice and/or provide the required receipts, the entire invoice will be rejected and the Seller will need to resubmit with the necessary documentation.
- I. Paragraphs A through H apply only to costs incident to travel for temporary job assignments, i.e. assignments to a work location for a period of less than 12 months. Buyer will not reimburse Seller for costs incident to travel for assignments more than 12 months unless specifically identified by Seller and agreed to in writing by Buyer prior to the travel's occurring.
