

OASIS

ONE ACQUISITION SOLUTION
FOR INTEGRATED SERVICES

Flexible, Innovative Solutions for Complex Professional Services Requirements

Federal agencies are challenged with ever-expanding mission sets, budget constraints and a rapidly evolving technology landscape. GSA's OASIS offers all federal customers an OMB-designated best-in-class, Total Solutions IDIQ contract to address your complex requirements.

INTEGRATED SERVICE-BASED SOLUTIONS, DELIVERED

HII is a prime contractor on OASIS, a contract vehicle delivering a full range of professional services requirements by integrating multiple professional service disciplines and ancillary services/products. Through OASIS, HII can support any mission across all phases of the acquisition lifecycle—from flying ISR missions in Europe and Africa, to R&D, and advisory and assistance services.

WHY OASIS?

OASIS is a family of government-wide multiple award IDIQ contracts offering unrestricted, small business, and 8(a) tracks. With no contract ceiling, OASIS delivers over \$10B in professional services annually across the Federal Government.

HII ranks among the top five OASIS prime contractors based on awarded ceiling.

BENEFITS

- **Broad scope**—program management, consulting, logistics, engineering, scientific and financial services in 100+ contract labor categories
- **Total Solution**—any combination of labor, materials, other direct costs, and ancillary support
- **Flexibility**—supports all contract types, including hybrid task orders—globally at any security level
- **Ease of use**—assisted acquisition through GSA or direct-buy options
- **Active Marketplace**—600+ pre-vetted prime contractors in seven NAICS-based contract pools
- **Low-Cost**—0.1% contract access fee for DoD users, 0.75% for non-DoD users
- **Compliance**—contributes to Better Buying Power objectives with OMB Spend Under Management principles.
