

# Michael T. Vesely

---

Vice President

Joint Forces Integrated Solutions (JFIS) Portfolio  
Mission Technologies

Michael Vesely is a portfolio leader in the Global Security group at HII's Mission Technologies division. His Joint Forces Integrated Solutions portfolio is focused on modeling and simulation for training—from the tactical to strategic levels of war—and supports customers from the Joint Staff and the services.

Vesely served for 20 years in the U.S. Marine Corps and commanded five different units over his career. His final operational tour from April 2005 to June 2006 was as a military transition team chief in Ramadi, Iraq.

Vesely has been a leader in the defense industry for the last 16 years. Prior to his portfolio leader role, he served as a project manager, program manager and deputy operations manager.

Vesely holds a bachelor's degree in political science from Miami University in Ohio and a master's in military science from the Marine Corps University.

HII is a global, all-domain defense provider. HII's mission is to deliver the world's most powerful ships and all-domain solutions in service of the nation, creating the advantage for our customers to protect peace and freedom around the world. As the nation's largest military shipbuilder, and with a more than 135-year history of advancing U.S. national security, HII delivers critical capabilities extending from ships to unmanned systems, cyber, ISR, AI/ML and synthetic training. Headquartered in Virginia, HII's workforce is 44,000 strong. For more information, visit: [HII.com](https://www.hii.com).
